

*** REQUIRED INFORMATION**

TERMINATION POLICY

If there has been no office visit for more than 6months, we will consider the records closed and the provider patient relationship terminated. If you desire to reopen your case after that time, you will contact your provider, however, your case may require a re-evaluation along with any appropriate fees and waiting time.

Patient are free to terminate their care with **Consortium Health and Rehab Center**. anytime for any reason by notifying their provider.

If you still in need of behavioral health services, you may go to the nearest emergency room or contact our nearest psychiatric hospitals.

By signing below, I have agreed to **Consortium Health and Rehab Center**. Termination Policy.
